Raising sponsorship money

Asking people to sponsor you can be a quick and easy way to raise money. This can be for a personal challenge such as losing weight, stopping smoking, getting fit or even running a marathon

There are lots of ways to boost the amount of sponsorship money you collect:

Ask everyone - Get everyone you know involved, your friends, family, and local community, including any groups or clubs you belong to, and ask them to raise money on your behalf by either sponsoring you, holding an event or having a collection.

Go online - The easiest way to collect sponsorship money is to do it online, there are many donating sites available to sign up to. Please contact us and we can help to publicize your fundraising activities on our social media sites.

Sponsorship Forms - You can apply for a sponsorship form by telephoning or emailing SPLICE Child and family project. Please remember to send us your sponsorship forms after you have collected the money so we can claim the Gift Aid.

Gift Aid - Thanks to Gift Aid, the taxman will top up every £1 given to us with an extra 25p, so if you raise £100, we will receive an extra £25. Adding Gift Aid is easy you just need to ask your sponsors to tick the Gift Aid box on the form and complete their home contact details including postcode.
